ADITYA SONI

DATA ANALYST | BUSINESS INTELLIGENCE

Satna, Madhya Pradesh, India | +91-9522593749 | adityasoni852452@gmail.com | LinkedIn: aditya-soni-398a10325

PROFESSIONAL SUMMARY

Data Analyst Intern with an MCA degree and a strong foundation in Mathematics and Statistics. Hands-on with SQL, Python, Excel, Power BI and Tableau to clean, analyze and visualize data, turning raw datasets into clear insights that support business decisions.

TECHNICAL SKILLS

Programming: Python, SQL
Python Libraries: Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn
BI & Visualization: Power BI, Tableau, Microsoft Excel
Databases: MySQL, SQL Server Studio
Analysis: Data Cleaning, Exploratory Data Analysis (EDA), Statistics, Data Visualization, Dashboard Development
Tools: Jupyter Notebook, VS Code ,Fivetran

PROFESSIONAL EXPERIENCE

Data Analyst Intern | SureProEd *Oct 2026 – Present*

- Clean and prepare business data using Python (Pandas, NumPy) and SQL to improve data accuracy and reliability
- Write SQL queries (joins, aggregations, subqueries) in MySQL to extract and analyze data for reporting
- Perform Exploratory Data Analysis (EDA**)** to identify trends, patterns and outliers
- Build interactive Power BI / Tableau dashboards to track key business metrics
- Present findings to the team to support data-driven decisions

PROJECTS

Loan Risk Analysis and Customer Insights *Python, SQL, Power BI, Tableau, Excel*

- Analyzed loan data to identify customer profiles and factors linked to loan default risk
- Cleaned data with Pandas and NumPy, handling missing values, duplicates and outliers
- Performed EDA with Matplotlib and Seaborn to uncover patterns across income, age, credit history and loan amount
- Wrote SQL queries (joins, aggregations, CASE statements) to segment customers and calculate default rates
- Built interactive Power BI and Tableau dashboards highlighting default rates by customer segment and loan type, helping identify high-risk groups

EDUCATION

Master of Computer Applications (MCA) *2024 – 2026*
*Rajiv Gandhi Proudyogiki Vishwavidyalaya (RGPV), Bhopal | **81%***

Bachelor of Science (B.Sc.) in Mathematics *2020 – 2023*
Awadesh Pratap Singh University, Rewa | 60%

CERTIFICATIONS

Advanced Python – Simplilearn *November 2026*
Power BI – Simplilearn *September 2026*

LANGUAGES

English: Professional Working Proficiency | **Hindi:** Native Proficiency
